MESSAGE FROM THE GOVERNOR

To The Alabama Senate
The Alabama State House
Montgomery, Alabama 36130

Ladies and Gentlemen:

I transmit herewith a Message from Governor George C. Wallace.

Respectfully submitted,

ELVIN L. STANTON,
Executive Secretary.

MESSAGE FROM THE GOVERNOR

To The Alabama Senate
The Alabama State House
Montgomery, Alabama 36130

Ladies and Gentlemen:

It is my understanding that the General Fund Budget will be reconsidered by the Senate today. I wrote the members of the Finance and Taxation Committee on April 1, stating some of my concerns about the proposal they were considering.

I feel very strongly that the human services areas of state government must be funded. These are areas that will suffer the most under the proposed Gramm-Rudman budget cuts planned for 86-87.

The funding for non-state agencies should be returned to the level in the House-passed budget. I realize that this money is important to the non-state agencies but I feel we must use our State dollars to maintain statewide programs for the needy and handicapped.

As an example of the continuing build-up of funding for non-state agencies, we now have five separate agencies addressing Sickle Cell needs. In my opinion this service could better be provided by the State Health Department and with far less cost to the General Fund of Alabama.

You are aware of the need for additional funding for Corrections. It is my understanding that the budget you will be reconsidering takes large sums from Corrections and redistributes it to other agencies. In my opinion such action amounts to turning prisoners loose on the streets, thus jeopardizing the health and safety of the law-abiding citizens in Alabama. You are familiar with the 1981 court order that directed the release of 802 inmates. We cannot risk having such a situation happen again if at all possible to prevent it.

REGULAR SESSION
27th Day

1339

I am also very concerned about further reductions in the amounts I recommended for the open-ended or estimated appropriations. By reducing these items which must be paid in full, you are not accomplishing a true budget reduction—you are in effect raising the budgeted level of expenditures without additional revenue to cover these increases. Specifically, according to information available to me when you take into consideration the allocations for open-ended appropriations, the General Fund proposal you will reconsider is underfunded by some \$18 million dollars at this time.

I remind you again that I will veto a General Fund appropriation bill which in my opinion will cause proration in FY 86-87. I implore you to act responsibly and consider the total welfare of all our citizens as you deliberate this very important matter.

Done on this tenth day of April, 1986.

Respectfully,
GEORGE C. WALLACE,
Governor.

Which was read and spread upon the Journal.

On motion of Senator Bishop, the Resolution was adopted by the Senate.

Senator Hilliard offered the following Senate Joint Resolution, to-wit:

S. J. R. 324. DESIGNATING 1987 AS THE YEAR OF "ALABAMA REUNION."

WHEREAS, "Alabama Reunion" is a year-long celebration established and planned as a statewide program to promote pride of heritage and the common bond of kinship shared by all Alabamians; and

WHEREAS, with individual and community involvement, as well as the production of television programs, other extravaganzas and films featuring Alabama celebrities and dignitaries, "Alabama Reunion" is envisioned as a step toward the future through reflection on our past; as a rekindling of the spirit of Alabama; and as a revitalization of our cities, towns and hamlets to reflect a renewed pride in our roots and our birthright as a people uniquely privileged and blessed; and

WHEREAS, "Alabama Reunion" will be, as its name suggests, a homecoming for those who now live elsewhere and an event of welcome from those of us who still know Alabama as our home; and

WHEREAS, through participation and support of "Alabama Reunion" and its opportunities to rediscover our state's historical treasures, individuality and uniqueness, we also will be afforded the privilege of sharing with others our knowledge of Alabama as a better place to live and visit; and

WHEREAS, our plans for the future indeed spring from our past and a great part of our future lies in Alabama's image as a state of great historical significance and also as a vacation cornucopia for those from both within and without our borders; now therefore,

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That we hereby designate 1987 as the year of "Alabama Reunion" and encourage the support and promotion of same by all Alabamians, both those at home and those we encourage to return and visit in support and affection for their beloved home state.

BE IT FURTHER RESOLVED, That we also urge the commitment of financial and other support from the business, industrial, financial and professional communities, and all governmental entities, that "Alabama Reunion" may reach its potential as a springboard to the future progress of the State of Alabama.

On motion of Senator Hilliard, the Rules were suspended and the Resolution was adopted by the Senate.

SUBSTITUTE FOR S. B. 543

**A BILL
TO BE ENTITLED
AN ACT**

Proposing an amendment to the Constitution of Alabama authorizing the incorporation in Marengo County of port authorities for the purpose of the development and commercial use of the inland waterways in such county.

BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

Section 1. The following amendment to the Constitution of Alabama of 1901 is proposed and shall become valid as a part of the Constitution when all requirements of Amendment 425 of the Constitution of Alabama of 1901 are fulfilled:

PROPOSED AMENDMENT

Any provision of the Constitution of Alabama or amendments thereto to the contrary notwithstanding, the legislature by general or local law may

authorize, provide for and regulate the formation and operation in Marengo County of public corporations authorized to engage in promoting the industrial development of Marengo County and the municipalities therein and particularly the development and commercial use of the inland waterways in such county. Any such law may prescribe the powers and authority of any corporation formed thereunder, which may include, but shall not be limited to the following: the authority to acquire, construct, operate, improve, and finance wharves, stocks, warehouses and other port and related facilities in Marengo County; to apply for permission to operate a foreign trade zone and to establish, operate and maintain such a zone; to exercise the power of eminent domain; to borrow money for any of its corporate purposes and issue interest-bearing revenue bonds and other securities, but such corporation shall not have authority to create a debt against the state, Marengo County or any municipality or other political subdivision of Marengo County. The act may authorize Marengo County or any municipality or other political subdivision, public corporation, agency or instrumentality of Marengo County to aid and cooperate with the corporation authorized in the act, and with or without consideration to transfer any port facilities or other property to any corporation organized under such act. Such law may exempt any corporation organized pursuant to it from some or all taxation by the state, Marengo County or any municipality in Marengo County; from tort liability; and from the payment of certain fees of public officers.

Section 2. The provisions of this amendment shall have no force and effect unless it shall first be unanimously approved by at least three-fifths vote of the elected members of each house and unanimously approved by the local constitutional amendment commission.

Section 3. Notice of the election and of the proposed amendment shall be given by proclamation of the Governor, which proclamation shall be published once a week for four successive weeks next preceding the day appointed for the election in each newspaper qualified to run legal notices in the county affected.

Section 4. An election upon the proposed amendment is ordered to be held at the next general, special, constitutional or county election in Marengo County. S. J. R. 327. PETITIONING THE FEDERAL ENERGY REGULATORY COMMISSION TO KEEP IN FORCE CURRENT GUIDELINES REGARDING WATER LEVELS OF ALABAMA'S WEISS LAKE IN CHEROKEE COUNTY AND LOGAN MARTIN LAKE IN TALLADEGA AND ST. CLAIR COUNTIES.

WHEREAS, the Federal Energy Regulatory Commission (FERC) currently is considering the request of a power utility that, if approved, would enable the water levels of Weiss and Logan Martin Lakes to be lowered, and in exception to current guidelines established by FERC; and

WHEREAS, in the event that the water levels of these two lakes are lowered, a tremendous hardship would be imposed on vast numbers of

individual citizens, and the economies of Cherokee, St. Clair and Talladega Counties, as well as adjacent areas, would be drastically and adversely affected; and

WHEREAS, it further is to be considered that, in Alabama, unemployment still remains higher than the national average, and any action by a federal agency such as FERC should be carefully deliberated as to the effect of such action on local and state economies and the availability of jobs for area citizens; now therefore,

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That we hereby most respectfully urge the Federal Energy Regulatory Commission to keep in force and effect the current guidelines established by said commission regarding the water levels of Alabama's Weiss and Logan Martin Lakes.

BE IT FURTHER RESOLVED, That copies of this resolution be forwarded forthwith to FERC and to the members of Alabama's Congressional Delegation in Washington D.C.

**A BILL
TO BE ENTITLED
AN ACT**

To propose a law to authorize two or more counties to establish self-funded insurance funds for the purpose of providing liability protection for the member counties and/or their officers and employees acting in the line and scope of their employment.

BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

Section 1. Definitions. For the purpose of this Act the following terms shall have the meanings subscribed to them by this section:

a. Liability Self-Insurance Fund. An entity or entities, to be formed by two or more counties of Alabama for the purpose of pooling resources and funds to self-insure such counties and/or their officers and employees acting in the line and scope of their employment against loss for money damages which any person or other entity is legally entitled to recover from a member county or its officers and employees for damages suffered as a result of a claim as defined under this Act.

b. Member County. A county which elects to pool its resources and funds with one or more other counties for the purpose of forming a Liability Self-Insurance Fund.

c. Claim. Any claim filed against a member county or suit against a member county for money damages which any person or other entity is legally entitled to recover for damages suffered as a result of bodily injury, death or property damage caused by a negligent or wrongful act or omission committed by any employee, officer or servant of the member county while acting within the line and scope of his employment under circumstances where the member county would be liable to the claimant for such damages under the laws of the State of Alabama.

Section 2. Any group of two or more counties of the State of Alabama may establish a Liability Self-Insurance Fund for the purpose of pooling its resources and funds to provide coverage for each member county and/or its officers and employees on account of a claim as defined in this Act. Member counties may appropriate such funds as necessary to the Liability Self-Insurance Fund created hereunder.

Section 3. Each Liability Self-Insurance Fund established under provisions of this Act shall have the power and authority to establish a governing body of trustees; establish by-laws for the governing of such group; enter into contracts with member counties; establish a schedule of benefits payable; establish a schedule of charges to be collected from member counties for benefits provided; enter into contracts with solvent insurance companies authorized to do business in this state; enter into management and consultant contracts; hire attorneys and employees; and, exercise such powers and authority incident to the purposes of this Act.

Such group, however, shall be exempt from regulation by the Department of Insurance of the State of Alabama and all premiums or charges collected shall be exempt from insurance premium tax.

Section 5. No Liability Self-Insurance Fund established under provisions of this Act shall establish a schedule of benefits providing liability coverage for a county in excess of those damages provided in Section 11-93-2, Code of Alabama 1975, as amended, (Section 2, Act No. 673, Acts of Alabama 1977, page 1161), and as the same may be amended.

Section 6. This Act is not intended and shall not be construed to subject any county or its officers and employees to liability for tort claims where liability therefor does not already exist by law.

Section 7. No Liability Self-Insurance Fund nor the Trustees thereof shall be subject to suit by any third party on account of a claim against a member county or its officers and employees. It shall incur no liability to any party other than that authorized and contracted for under provisions of this Act.

Section 8. All laws or parts of laws which conflict with this Act are hereby repealed.

Section 9. The provisions of this Act are severable. Should any provision be declared invalid or unconstitutional, such declaration shall not affect the remaining portions thereof.

BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

SECTION 1. There is hereby appropriated for the support of public education in Alabama for the fiscal year ending September 30, 1987, and for the public debt, to be paid out of funds specified in subsection (a) of Section 2 of this Act, the amounts specified in Sections 3 to 4 of this Act. For the purpose specified in subsection (b) of Section 2 of this Act, amounts are shown by programmatic area and the total for all programs is shown so as to include estimated sources of funds other than the appropriation made in subsection (a) of Section 2 of this Act. For the purpose of this Act, "ASETF" shall mean the Alabama Special Educational Trust Fund.

SECTION 2. (a) The appropriations provided for in this Act shall be paid from funds in the State Treasury to the credit of the Alabama Special Educational Trust Fund and Alabama Special Educational Trust Fund Surplus, Special Mental Health Trust Fund, Alabama Board of Nursing Trust Fund, Alabama Peace Officers' Standards and Training Fund, and Public School Fund and are hereby made for the support of public education in Alabama for the fiscal year ending September 30, 1987, and except as may be otherwise expressly provided, the appropriations herein made shall be subject to the provisions, terms, conditions and limitations of the Budget and Financial Control Act (Code of Alabama 1975, as amended, Sections 41-4-80 through 41-4-96), the provisions of The Budget Management Act of 1976 (Code of Alabama 1975, as amended, Sections 41-19-1 through 41-19-12), and shall be in the amounts hereinafter specified.

RESOLUTION

Senators Covington, Foshee, Goodwin, Teague, Holmes, Drinkard, Bedford, Dial, Menton, Denton, Bedsole, Amari, Cabaniss, Dixon, Hilliard, Cooley, Strong, Bennett, Aldridge, Little, Barron, Langford, Ellis, Parsons, Smith (J), Mitchem, deGraffenried, and Hand requested and received permission to

suspend the Rules in order to offer the following Senate Joint Resolution, to-wit:

S. J. R. 331. EXPRESSING SUPPORT OF PRESIDENT REAGAN AND HIS APRIL 14 MILITARY ACTION AGAINST LIBYA.

WHEREAS, the Legislature of Alabama expresses full support and approval of the United States' attack on some five Libyan targets, April 14, 1986, and is in total accord with this response by President Reagan to continued acts of terrorism against American citizens abroad; and

WHEREAS, by attacking the source of terrorism in its own breeding ground, we have spoken in a voice heard round the world, and have delivered our message directly to the doorstep of Colonel Moammar Khadafy, the "mad dog of the Middle East" on whose shoulders rest the guilt for innumerable crimes against humanity; and

WHEREAS, we further express unanimous support of like action to future terrorist attacks, thereby reiterating, in the only language understood by a cowardly and mindless rabble, that this nation will no longer tolerate such crimes against its citizens, at home or aboard; now therefore,

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That we hereby applaud the action against Libya on April 14, 1986, as ordered by President Reagan and direct that he and Alabama's Congressional Delegation be so informed, by copies of this resolution, of the united support of the Alabama Legislature.

On motion of Senator Covington, the Rules were suspended and the Resolution was adopted by the Senate.

WHEREAS, the history of Marshall Center is a chronicle of hard work and dependable hardware products including the giant Saturn launch vehicles, Skylab, the Space Shuttle propulsion systems, Spacelab, Space Telescope and the many scientific spacecraft and payloads; and

WHEREAS, the center has a record of notable achievements: launch vehicle and spacecraft for the free world's first unmanned satellite, launch vehicle for the free world's first manned spacecraft, world's largest launch vehicles, launch vehicles that sent man to the moon, world's only manned lunar surface vehicle, world's first manned space station, free world's materials processing experiments in space, propulsion systems for the world's first Space Shuttle, and first commercial product made in space; and

BE IT FURTHER RESOLVED, that we encourage Marshall Space Flight Center to continue its aggressive attitude during the investigation, and whatever action is necessary in order that the exact cause of the Challenger tragedy may be more quickly determined and, therefore, corrected prior to the initiation of future missions. Once the cause has been identified and eliminated, the scientists and engineers at NASA and Marshall Space Flight Center may continue to probe and seek answers to the many challenges and mysteries of the universe as they have done so capably in the past.

S. J. R. 365. NAMING THE COTTONTON BRIDGE THE "JOSEPH WILSON SMITH BRIDGE."

WHEREAS, Mr. Joseph Wilson Smith was a native and lifelong resident of the Phenix City area of Russell County, Alabama; and

WHEREAS, not only was Mr. Smith an outstanding civic and community leader, but also was a prominent attorney and former member of the Alabama Legislature; and

WHEREAS, in recognition of Mr. Smith's numerous contributions to his community and to all of Russell County, it is entirely fitting and proper that his name be perpetuated in appropriate fashion and that his generosity be acknowledged through means of permanent honor; now therefore,

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That the Cottonton Bridge connecting Alabama 168 with Omaha, Georgia [Alabama Highway Department Project Number RS5704(103)(102)] is hereby designated and shall forever be known as the "Joseph Wilson Smith Bridge."

Senators Mitchem, Dial, Barron, Bailey, and Cabaniss offered the following Senate Resolution, to-wit:

S. R. 366. EXPRESSING THE SENSE OF THE SENATE RELATIVE TO THE CIVIL JUSTICE CRISIS IN ALABAMA AND PERTINENT LEGISLATION NOW PENDING IN COMMITTEE.

WHEREAS, a growing consensus is being formed in Alabama and across the United States that the American civil justice system needs immediate reform; and

WHEREAS, among problems cited are a growing number of unnecessary lawsuits that are clogging the courts and skyrocketing awards that ultimately translate into reduced services and higher prices for products and services; and

WHEREAS, Governor George Wallace, in his January 1986 State of the State address, pointed out that a serious matter that should concern all of us is the astronomical court judgments being handed down in lawsuits, with awards into the millions of dollars, that have caused insurance costs to soar out of sight and have even caused curtailment of some necessary medical services; and

WHEREAS, also calling for reform are Chief Justice of the United States Warren E. Burger, Attorney General William French Smith and former Attorney General Griffin Bell, as are various groups formed at the grass roots level across the nation that have ever-increasing and widespread public support; and

WHEREAS, the civil justice crisis is indeed a clear and present danger to the free enterprise system as businesses, manufacturers, schools, doctors, hospitals, cities and others find their insurance costs escalating, while many insurance companies are failing or face repeated crises due to enormous judgments they are forced to pay; and

WHEREAS, consumers also are being hurt as businesses and providers of professional services are forced to pass along escalating costs to remain solvent, with the effect that all citizens of Alabama are paying for a select few people and their attorneys to reap windfall profits; and

WHEREAS, House Bills 213, 214, 216, 217, 218 and 219 provide an opportunity to remedy this serious problem that faces our state; these bills, however, continue to remain in Senate committee while time grows short for consideration and action by the full Senate; and

WHEREAS, it is the sense of this body that the issue of civil justice reform is one of special public importance and action upon same should not rest solely in the hands of any one individual; now therefore,

BE IT RESOLVED BY THE SENATE OF THE ALABAMA LEGISLATURE, That we hereby call upon the Chairman of the Senate Judiciary Committee to schedule a meeting of his committee for the purpose of acting on House Bills 213, 214, 216, 217, 218 and 219, and would further urge that said bills be brought before the full Senate for appropriate consideration and action.

Which was read and referred to the Standing Committee on Rules.

S. J. R. 370. CREATING A MADISON COUNTY COOPERATIVE GOVERNMENT CHARTER COMMISSION.

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That a MADISON COUNTY CO-OPERATIVE GOVERNMENT CHARTER COMMISSION is hereby created with the following powers, terms, and conditions:

1. The Charter Commission shall consist of nineteen (19) persons appointed as follows:

a. Two persons shall be appointed from each legislative House district by the senator and the house member who serves on the Madison County Legislative Delegation representing that legislative district.

b. One person each shall be appointed by the Madison County Commission, Huntsville City Council, Madison City Commission, New Hope City Council, Gurley City Council, Owens Cross Roads City Council and Triana City Council. Notification in writing to the Madison County Legislative Office of an appointment to the Charter Commission shall constitute an appointment to said body.

2. The appointments to the Charter Commission shall be completed no later than sixty (60) days after this resolution becomes law. Any individual appointed subsequent to this time may serve but shall not be needed to constitute a quorum until appointed.

3. The Chairman of the Charter Commission shall be elected from among its members and shall preside over all meetings. The Charter Commission shall make its own rules for the conduct of business. The initial meeting shall be held after the sixty (60) days has expired and at the call of any appointed member of the Charter Commission.

4. Members of the Charter Commission shall serve without compensation. Actual and reasonable expenses of the Charter Commission shall be paid by the City of Huntsville and other governmental bodies who agree to financially participate. Nothing in this resolution shall prevent the Charter Commission from accepting private contributions for actual and reasonable expenses, except that any funds left over after the Charter Commission is terminated shall revert to the financially participating governmental bodies on a pro rata basis of percentage of original funding provided. The City of

Huntsville, the Madison County Commission and any other municipality in Madison County may, provide the services of one of its attorneys, as needed in order to properly draft required legal documents, if any.

5. In the event a vacancy occurs on the Commission, such vacancy shall be filled by a majority vote of the body which made the original appointment. If that appointing authority fails to make an appointment to the Commission within thirty (30) days after a vacancy occurs, such appointment may be made by a majority vote of the Madison County Legislative Delegation.

6. a. The purpose of the Charter Commission is to draft a proposal to be subjected to a referendum of the registered voters of Madison County which would provide for a form of Cooperative Government by whatever name for Madison County or the consolidation of some or all services. Said proposal shall be based on the results of study by the Charter Commission and after sufficient hearings in various areas of Madison County. The proposal shall include a provision that the members of the consolidated government body be elected by districts to the extent practical.

b. The Charter Commission shall submit a proposed constitutional amendment to the Madison County Legislative Delegation for its consideration in the event the results of the above-mentioned referendum indicate that a majority of the citizens support the proposal.

c. If the results of the referendum for any incorporated municipality or the unincorporated portions of any legislative district in Madison County indicate a majority of the voters in the municipality or unincorporated area do not favor the proposal, then the constitutional amendment will be written to exclude that area from the consolidated government.

7. a. The referendum shall be held at either the next legally available primary or general election, or, if sooner, at any county-wide special election, at which shall next occur more than thirty (30) days after the effective date of the advertising required for the said proposal.

b. The election shall be advertised, held, conducted and the results thereof canvassed in the manner provided by law or for advertising, holding and canvassing county bond elections. The questions to be voted on shall be stated on the ballots or voting machines in the form devised by the Charter Commission. The Probate Judge of Madison County shall certify the results of the referendum to the Secretary of State of Alabama within thirty (30) days after the election returns are canvassed.

8. The Madison County Cooperative Government Charter Commission shall terminate upon the completion of its duties or at the end of December 31, 1987.

RESOLVED FURTHER, That copies of this resolution shall be given to members of the Local Government Study Commission of Madison County, the mayors of the cities of paragraph 1b, the Chairman of the Madison County governing body and the Madison County Judge of Probate.

WHEREAS, the nucleus for what is today one of the country's premier academic health centers and teaching hospitals was created in late 1944 when Birmingham's Hillman and Jefferson Hospitals were given to the University for their medical programs, and subsequently in 1945 the University moved its two-year basic-health-science program from the Tuscaloosa campus to Birmingham and established a full-fledged four-year medical school; and

WHEREAS, in the ensuing four decades, hundreds of skilled physicians, nurses, technologists, technicians, and other health personnel have dedicated themselves to mounting programs of excellence through which hundreds of patients have been treated, cured, or given new hope for improved quality of life; and

WHEREAS, in observance of those four decades of services, and describing itself as "Forty and Fit," the University of Alabama Hospital and the other units comprising the UAB Medical Center currently are marking the fortieth anniversary of its establishment and are celebrating the dynamic growth and development of the Center into one of the world's premier academic health centers; and

WHEREAS, the University of Alabama Hospital, while providing all types of quality health care as the state's main tertiary-care referral center, has been recognized especially for its programs in certain specific specialty areas, including cancer diagnosis and treatment; cardiothoracic surgery for both adults and children; diagnosis and treatment of diabetes mellitus; treatment and rehabilitation of spinal cord-injury patients; organ transplantation; and arthritis and other rheumatic diseases; and

WHEREAS, this resolution praising the University of Alabama Hospital and its dedicated staff members would not be complete without mention of distinguished physicians, administrators, and University officials who have played significant roles through the years in the growth and development of the University of Alabama Hospital, including those distinguished physicians who served

as chairmen of clinical departments in the School of Medicine and/or as chiefs of service in the University Hospital, to wit, Drs. Tinsley R. Harrison, Champ Lyons, John W. Kirklin, A. G. Diethelm, J. Garber Galbraith, Walter B. Frommeyer, T. Joseph Reeves, Thomas N. James, and J. Claude Bennett, and others such as Howard L. Holley and Buris R. McCallum, James A. Pittman, and J. Durwood Bradley; and those individuals who served so ably as administrators of the University Hospital, including Drs. Matthew F. McNulty, Keith D. Blayney, and James E. Moon; and

WHEREAS, this body wishes to extend its praise and congratulations to each and every staff member whose dedicated efforts have earned for the University of Alabama Hospital the international reputation for excellence which it enjoys today as one of the world's leading teaching hospitals;

NOW, THEREFORE, BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, that this body herewith commends the staff and administration of the University of Alabama Hospital and The University of Alabama at Birmingham for the significant national honor which recently has been accorded it, and that it hereby extends its sincere and abiding appreciation for the significant recognition this outstanding hospital has brought to the entire state of Alabama and to every citizen thereof.

“Section V (b) The Supervisory Committee of the Mobile County Personnel Board shall be composed of the following:

“1. The persons holding each of the following elective offices in Mobile County, Alabama, namely, the Presiding Judge of the Circuit Court, the Judge of Probate, the Presiding Judge of the District Court of Mobile County, the Tax Assessor, the Tax Collector, the County License Commissioner, the Chairman of the Mobile County Commission, the Sheriff of Mobile County, and the Mayor of each of the incorporated towns and cities in Mobile County.

The following non-elected officials shall also be members of the Supervisory Committee: The President or other chief executive officer of the Mobile County Municipal Association; a representative elected by all of the professional law enforcement officers of Mobile County, (including all members of MCLEA); a representative elected by all the professional fire fighters of Mobile County; and a representative elected by the employees under the Mobile County Merit

System; each of whom shall be a bona fide resident and qualified elector of Mobile County. The representatives of the professional law enforcement officers of Mobile County, (including all members of MCLEA), the professional fire fighters of Mobile County, and the employees employed under the Mobile County Merit System, shall be elected at meetings called for that purpose by the Chairman of the Supervisory Committee, notice of which shall be given to the members of their representative class by publication once each day for three (3) consecutive days preceding such meetings in a newspaper of general circulation, published in Mobile County. The notice of publication shall be signed by the Chairman of the Supervisory Committee, and shall state briefly the purpose of the meeting together with the date, time and place of holding such meeting. All such meetings shall be held at the Mobile County Courthouse, or some other public meeting place designated by the Chairman of the Supervisory Committee. The Chairman of the Supervisory Committee or such other person as may be designated by him, shall preside at such meetings and Roberts' Rules of Order shall be followed in the conduct of such meetings. The members of the Supervisory Committee so elected shall serve for four (4) year terms or until their successors are elected and qualified. In the event of a vacancy, such vacancy shall be filled in the same manner as the initial members are elected, to complete the unexpired term. Only full-time permanent employees in each representative class shall be eligible to vote at any such election. The Personnel Department shall certify to the Chairman of the Supervisory Committee the names of all law enforcement officers, fire fighters, and other employees eligible to vote at any such election at least two days prior to the meeting or meetings called for that purpose.

“(c) Except as otherwise provided herein, each member of the Supervisory Committee shall be entitled to cast one vote on any matters considered at any regular or special meeting of the Supervisory Committee. In addition thereto, each jurisdiction in Mobile County under the control of the Mobile County Civil Service System, shall be entitled to cast one additional vote for each 400, or a major fraction thereof, Civil Service employees occupying permanent positions as of December 31st of the year preceding any such meeting of the Supervisory Committee, such additional votes to be cast by the elected official designated in (b) 1 above having appointing authority over such employees in such jurisdiction. All voting of the Supervisory Committee shall be by roll call vote. Voting by proxy shall not be allowed.

“(d) The Presiding Judge of the Circuit Court of Mobile County shall be Chairman of the Committee and shall be entitled to vote only in case of a tie. The Chairman shall pass upon the credentials and right of each person to sit thereon. He shall be the sole judge of the number of votes a member of the Committee shall have as provided for in Subsection (c) above. The Chairman shall call the first organizational meeting of the Supervisory Committee hereby created as soon as practicable after this Act becomes effective. In his call, he shall specify the date and hour of the meeting and designate the place thereof, and shall mail a copy thereof to each member of the Committee. At its first meeting, the Committee shall adopt such rules, regulations and modes of procedure as it deems expedient to enable it to dispatch its business in an orderly manner, and, thereafter, from time to time, the Committee may amend or rescind such rules, regulations and modes of procedure or adopt additional ones. In addition to the organizational meeting hereby prescribed, the Committee shall meet on the 1st Tuesday in March of each year, unless such day is a legal holiday, in which event the annual meeting of the Committee shall be held on the day following the legal holiday. In addition to these meetings, the Committee may hold special meetings on the call of the Chairman or any seven members thereof. All meetings of the Committee shall be held at the County Courthouse

or some other public place designated by the Chairman. Notice shall be given of all meetings and shall be signed by the person or persons calling such meeting and shall state briefly the purposes of the meeting; shall be mailed to each person registered as a member of the Committee or known to be such, and shall also be published once each day for three consecutive days immediately preceding such meeting in some daily newspaper published in Mobile County. Notice of the annual meeting shall be given in like manner, but failure of any member to receive notice by mail of any such meeting, either annual or special, shall not invalidate it. Provided that at any regular or special meeting of the Committee a day may be set for the next meeting of said Committee and in this event no further notice of such meeting shall be required. A majority of the persons then serving as members of the Committee shall constitute a quorum for the transaction of business, but a less number may adjourn from time to time to compel the attendance of absent members in such manner and under such penalties as may be prescribed by rules and regulations of the Committee. The Supervisory Committee shall serve without compensation."

Section 2. Section VII(a) of Act No. 470, H. 952 of the Regular Session of 1939, (Local Acts, 1939, page 298), which creates and establishes county-wide Civil Service System in Mobile County, Alabama, is hereby further amended to read as follows:

"Section VII (a) PERSONNEL BOARD: The Personnel Board shall consist of five members designated respectively as Member Number 1, Member Number 2, Member Number 3, Member Number 4, and Member Number 5, each of whom shall be over 19 years of age, of recognized good character and ability, a qualified elector of Mobile County, and shall not, when appointed, nor for three years then next preceding the date of his appointment have held elective public office, nor have been a candidate for such. If any person actively solicits a position on such Board, the committee shall, for this reason, refuse to consider his appointment. After the effective date of the 1976 Amendment hereto, each member must be a resident of his respective district, as hereinafter provided, at the time of his appointment and for the duration of his term; provided however, that those members in office on the effective date of said Amendment may serve out the remainder of their then unexpired terms without regard to their respective districts of residence. Members shall be appointed from the following districts:

"1. Member Number 1 shall be appointed from Personnel Board District 1, which shall include the part of Mobile County that is included in House Districts 95 and 96 and all of House District 102;

"The initial term of Member Number 4 shall be for a term of two years beginning September 15th, 1976 and until his successor is appointed and qualified. The initial term of Member Number 5 shall be for a term of four years beginning on September 15, 1976 and until his successor is appointed and qualified. Thereafter, all members shall be appointed for five year terms.

In the event of a vacancy on the Board occasioned by death, resignation, impeachment or other cause, such vacancy shall be filled by the appointment of a qualified successor by the Supervisory Committee for the then unexpired term. Each member of the Board shall receive an expense allowance of \$500.00 per month and shall receive \$50.00 per meeting attended, and \$50.00 per day for attendance upon all trials and hearings by the Board. Such expense allowance and compensation shall be paid from the same funds as other expenses of the Department are paid.

“The Board shall meet once a month on dates to be fixed by its rules and regulations and as much oftener as shall be necessary for the orderly dispatch of its business.

Section 3. Handicapped persons. The Director of the Mobile County Personnel Board shall, upon request of an Appointing Authority, add to any certification of three applicants eligible for employment, the name of any handicapped person on the eligible list who is certified by the Director of the Division of Rehabilitation of Crippled Children, State Department of Education, as being eligible for rehabilitation services; but, said Personnel Director shall not give preference in certification for employment to any handicapped person if he finds such person is physically or otherwise unfit to perform effectively the duties of the position in which he seeks employment.

The decision of the said Personnel Director shall be final.

Section 4. Act No. 84-623 of the Regular Session of 1984, Acts of Alabama, 1984, page 1271, is hereby expressly repealed.

Section 5. Provisions of this Act are severable. If any part of the Act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

AN ACT**

To make appropriations for the ordinary expenses of the executive, legislative and judicial departments of the State, for other functions of government, for interest on the public debt, and for capital outlay for the fiscal year ending September 30, 1987.

BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

SECTION 1. The monies in Section 2 are appropriated from the named funds for the 1986-87 fiscal year to the state agency indicated, as the amounts

to be used to pay the expenditures of the named agencies, and are in lieu of all monies appropriated for these purposes in other sections of the Alabama Statutes.

For the purpose of this Act, the amounts herein for expenditures are listed by programmatic area and the total for all programs are shown by the source of funds. It is intended that only the named funds be appropriated to the agency concerned; and that the following definitions shall be applicable:

(a) "Appropriation Total" shall mean the aggregate total of all fund sources.

(b) "Program" shall mean specific governmental services required to achieve a specific objective. A program shall be directed to meeting the need of an identified clientele, or group of recipients or beneficiaries.

BILLS ON THIRD READING RESUMED

Senator Sanders requested and received permission to suspend the Rules in order to bring up the Bill:

H. 892. Relating to Wilcox County; authorizing the county commission to levy and collect a $\frac{1}{2}$ cent sales tax paralleling the state sales tax provided

for in Sections 40-23-1, 40-23-2, 40-23-3, and 40-23-4, Code of Alabama 1975, providing for distribution and use of the proceeds; prescribing penalties and fixing punishment for violation of this act.

Senator Sanders offered the following substitute for the Bill, H. B. 892, to-wit:

SUBSTITUTE FOR H. B. 892

A BILL TO BE ENTITLED AN ACT

To authorize the governing body of Wilcox County, Alabama, to levy and collect special county privilege and license taxes, paralleling the state sales taxes provided for in Division 1 of Article I of Chapter 23 of Title 40 of the Code of Alabama 1975, as amended and special county excise taxes paralleling the state use taxes provided for in Article 2 of Chapter 23 of Title 40 of the Code of Alabama 1975, as amended; to specify the rates at which such taxes may be levied; to provide for the ascertainment, collection, payment, and distribution and use of the proceeds of the said taxes if levied by the said governing body and to provide for the enforcement of this act by the State Department of Revenue.

BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

Section 1. The following words, terms and phrases as used in this Act shall have the following respective meanings except where the context clearly indicates a different meaning;

“Commissioner” means the Commissioner of Revenue of the State.

“County” means Wilcox County in the State of Alabama.

“Fiscal Year” means the period commencing on October 1 of each calendar year and ending on September 30 of the next succeeding calendar year.

“Month” means a calendar month.

“Quarterly Period” means the period of three months ending on the last day of each March, June, September and December.

“Registered Seller” means the person registered with the State Department of Revenue pursuant to the State Use Tax Statutes or licenses under the State Sales Tax Statutes.

“State” means the State of Alabama.

“State Department of Revenue” means the Department of Revenue of the State.

“State Sales Tax” means the tax or taxes imposed by the State Sales Tax Statutes.

“State Sales Tax Statutes” means Division 1 of Article 1 of Chapter 23 of Title 40 of the Code of Alabama 1975, as amended, including all other statutes of the State which expressly set forth any exemptions from the computation of the taxes levied in said Division 1 and all other statutes which expressly apply to, or purport to affect, the administration of said Division 1 and the incidence and collection of the taxes imposed therein.

"State Use Tax" means the tax or taxes imposed by the State Use Tax Statutes.

"State Use Tax Statutes" means Article 2 of Chapter 23 of Title 40 of the Code of Alabama 1975, as amended, including all other statutes of the State which expressly set forth any exemptions from the computation of the tax levied in said Article 2 and all other statutes of the State which expressly apply to, or purport to affect, the administration of said Article 2 and the incidence and collection of the taxes imposed therein.

Except where another meaning is clearly indicated by the context, all definitions set forth in the State Sales Tax Statutes and the State Use Tax Statutes shall be effective as definitions of the words, terms and phrases used in this Act. All words, terms and phrases used herein, other than those hereinabove specifically defined, shall have the respective meanings ascribed to them in the State Sales Tax Statutes and the State Use Tax Statutes and shall have the same scope and effect that the same words, terms and phrases have where used in the State Sales Tax Statutes and the State Use Tax Statutes.

Section 2. The governing body of the county is hereby authorized to levy and impose in the county, in addition to all other taxes of every kind now imposed by law, and to collect as herein provided, a privilege or license tax on account of the business activities and in the amount to be determined by the application of rates against gross sales or gross receipts, as the case may be, upon every person, firm or corporation (including the State of Alabama, the University of Alabama, Auburn University and all other institutions of higher learning in the State, whether such institutions be denominational, state, county or municipal institutions, any association or other agency or instrumentality of such institutions) engaged or continuing within the county in the business of selling at retail any tangible personal property whatsoever, including merchandise and commodities of every kind and character (not including, however, bonds or other evidences of debts or stocks, nor sales of materials and supplies to any person for use in fulfilling a contract for the painting, repair or reconditioning of vessels, barges, ships and other watercraft of over 50 tons burden) or conducting places of amusement in the county at the rate of one half of one percent of the gross proceeds of sales of the business.

There are exempted, however, from the provisions of this section and from the computation of the amount of the taxes authorized to be imposed in this section, the gross receipts of any business and the gross proceeds of all sales which are presently exempted under the State Sales Tax Statutes from the computation of the amount of the State Sales Tax.

Section 3. The governing body of the county is hereby authorized to levy and impose excise taxes on the storage, use or other consumption of property in the county as hereinafter provided in this section.

(a) An excise tax is hereby authorized to be levied and imposed on the storage, use or other consumption in the county of tangible personal property (not including, however, materials and supplies bought for use in fulfilling a contract for the painting, repairing or reconditioning of vessels, barges, ships and other watercraft of more than 50 tons burden) purchased at retail on or after the effective date of such tax, for the storage, use or other consumption in the county on or after the effective date of such tax, at the rate of one half of one percent of the sales price of such property.

There are exempted from the provisions of this section, and from the taxes authorized to be imposed by this section, the storage, use or other consumption of property, the storage, use of other consumption of which is presently exempted under the State Use Tax Statutes from the State Use Tax. Subject to those exemptions, every person storing or using or otherwise consuming in the county tangible personal property purchased at retail on or after the effective date of such taxes shall be liable for the taxes authorized to be imposed by this section, and the liability shall not be extinguished until the tax has been paid by such person; provided however, that a receipt from the Registered Seller given pursuant to Section 6 of this Act to the purchaser of any property to be used, stored or consumed in the county shall be sufficient to relieve the purchaser from further liability for a tax to which such receipt may refer.

Section 4. The sales taxes authorized to be levied in Section 2 of this Act shall be paid to and collected by the State Department of Revenue at the same time as and along with the payment and collection of the State Sales Tax; and the use taxes authorized to be levied in Section 3 of this Act shall be paid to and collected by the State Department of Revenue at the same time as and along with the payment and collection of the State Use Tax.

Section 5. The taxes authorized to be imposed by this Act shall constitute a debt due the county and may be collected by civil suit, in addition to all other methods provided by law and in this Act. The said taxes, together with interest and penalties with respect thereto, shall constitute and be secured by a lien upon the property of any person from whom said taxes are due or who is required to collect said taxes. All the provisions of the revenue laws of the State which apply to the enforcement of liens for license taxes due the State shall apply fully to the collection of the taxes herein authorized to be levied, and the State Department of Revenue, for the use and benefit of the county, shall collect such taxes and enforce this Act and shall have and exercise for such collection and enforcement all rights and remedies that the State Department of Revenue has for collection of the State Sales Tax and the State Use Tax. The State Department of Revenue shall have full authority to employ such special counsel as it deems necessary from time to time to enforce collection of the taxes authorized to be levied by this Act and otherwise to enforce the provisions of this Act, including the institution, prosecution and defense of any litigation involving this Act; and the said Department shall pay such special counsel such fees as it deems necessary and proper from the proceeds of the taxes collected by it hereunder.

Section 6. All provisions of the State Sales Tax Statutes with respect to payment, assessment and collection of the State Sales Tax, making of monthly reports and keeping and preserving records with respect thereto, interest after the due date of said tax, penalties for failure to pay the said tax, make reports or otherwise comply with the State Sales Tax Statutes, the promulgation of rules and regulations with respect to the state sales tax, and the administration and enforcement of the State Sales Tax Statutes, which are not inconsistent with the provisions of this Act, when applied to the sales tax authorized to be levied in Section 2 hereof, shall apply to the sales tax authorized to be levied in the said Section 2; and all provisions of the State Use Tax Statutes with respect to payment, assessment and collection of the State Use Tax, making quarterly reports and keeping and preserving records with respect thereto, interest after the due date of the State Use Tax, penalties for failure to pay said tax, make reports or otherwise to comply with the State Use Tax Statutes, the promulgation of rules and

regulations with respect to the State Use Tax and the administration and enforcement of the State Use Tax Statutes, which are not inconsistent with the provisions of this Act, when applied to the use tax authorized to be levied in Section 3 hereof, shall apply to the use tax authorized to be levied in the said Section 3. The Commissioner and the State Department of Revenue shall have and exercise the same powers, duties and obligations, with respect to the taxes herein authorized to be levied, that are imposed on the Commissioner and the said department by the State Sales Tax Statutes and the State Use Tax Statutes. All provisions of the State Sales Tax Statutes and the State Use Tax Statutes that are made applicable by this Act to the taxes herein authorized to be levied and to the administration of this Act are incorporated herein by reference and made a part hereof as if fully set forth herein.

Section 7. The State Department of Revenue shall charge Wilcox County for collecting the special county tax levied under this act such amount or percentage of total collections as may be agreed upon by the Commissioner of Revenue and the Wilcox County Commission, but such charge shall not, in any event, exceed ten percent of the total amount of the special county tax collected in said county under this act. Such charge for collecting such special tax may be deducted each month from the gross revenues from such special tax before certification of the amount of the proceeds thereof due Wilcox County for that month. The Commissioner of Revenue shall pay into the State Treasury all tax collected under this act, as such tax is received by the Department of Revenue, and on or before the first day of each successive month (commencing with the month following the month in which the Department makes the first collection hereunder) the Commissioner shall certify to the State Comptroller the amount of tax collected under the provisions of this act and paid by him into the State Treasury for the benefit of Wilcox County during the month immediately preceding such certification. Provided, however, that before certifying the amount of the tax paid into the State Treasury for the benefit of Wilcox County during each month, the Commissioner may deduct from the tax collected in said month the charge due the Department for the collection of the tax for the county. It shall be the duty of the comptroller to issue his warrant each month payable to the County Treasurer of Wilcox County in his official capacity in an amount equal to the amount so certified by the Commissioner of Revenue as having been collected for the use of the county. He shall then deliver to the Wilcox County Commission the balance remaining, to be used at the discretion of the County Commission.

Section 8. The provisions of this act are severable. If any part of the act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 9. All laws or parts of laws which conflict with this act are hereby repealed.

Section 10. This act shall become effective on the first day of the second month following its passage and approval by the Governor or upon its otherwise becoming law.

Which was adopted.

MESSAGE FROM THE GOVERNOR

To The Alabama Senate
Alabama State House
Montgomery, Alabama 36130

Ladies and Gentlemen:

I transmit herewith a Message from Governor George C. Wallace, returning to you, the house in which it originated, Senate Bill No. 470 without the Governor's signature and approval but with the following suggested Executive Amendment.

Done on this the 17th day of April, 1986.

Sincerely,

ELVIN L. STANTON,
Executive Secretary.

MESSAGE FROM THE GOVERNOR

To The Alabama Senate
Alabama State House
Montgomery, Alabama 36130

Ladies and Gentlemen:

I am returning to you, the body in which it originated, Senate Bill No. 470 without my signature and approval.

This Bill appropriates \$2 million from the state general fund and I must urge the Legislature to make this appropriation conditional upon the availability of funds during the fiscal year ending September 30, 1987, 1988, and 1989.

I therefore suggest the following Executive Amendment which would make this Bill acceptable to me:

EXECUTIVE AMENDMENT TO S. B. 470

Amend the Title, line 23, page 1, by inserting the word "conditional" after the word "an" and before the word "appropriation" and;

Delete Section 9, page 6, in its entirety and substitute in lieu thereof, the following:

"Section 9. There is hereby appropriated out of the state general fund the sum of \$2,000,000 for each of the next three state fiscal years (1987-87, 1987-88, and 1988-89) to the Community Stabilization Assistance Trust Fund as established by this Act. All monies appropriated in this section are conditional upon the availability of funds and shall remain in the state general fund until a demonstrated need is determined and recommended by the Finance Director and approved by the Governor." and;

REGULAR SESSION
30th Day

1927

Delete Section 12, page 6 in its entirety, substitute in lieu thereof the following:

"Section 12. This Act shall become effective October 1, 1986 following its passage and approval by the Governor or its otherwise becoming a law."

The adoption of the above suggested Executive Amendment will remove my objections to this Bill.

Done on this the 17th day of April, 1986.

Sincerely,

GEORGE C. WALLACE.

GOVERNOR'S MESSAGE

On motion of Senator Bishop, the Senate concurred in and adopted the amendment proposed by His Excellency, the Governor, to the Bill:

S. 470. To establish the Community Stabilization Assistance Act; to provide for loans to employees who have been terminated by plant closings; to provide for a board to administer the loans; and to provide for funding and criteria for eligibility for said loans; to make an appropriation for each of the next three fiscal years; and to provide for a retroactive effect.

which said amendment is set out in the foregoing Message from the Governor, by a vote of

WHEREAS, the Legislature of Alabama expresses full support and approval of the United States' attack on some five Libyan targets, April 14, 1986, and is in total accord with this response by President Reagan to continued acts of terrorism against American citizens abroad; and

MESSAGE FROM THE HOUSE

Mr. President:

The House has originated and adopted the following House Joint Resolution and sends same herewith to the Senate for its consideration:

By Reps. Cosby, Drake, Faulk, Rice, Beasley, Mathis, Carothers, Johnson (RG), Warren, White (F), Reed, White (L), Venable, Hooper, Sasser, Preuitt, Rains, Thomas, Black, Clark (W), Harper, Kvalheim, McMillan, Penry, Gaston, Mikell, Blakeney, Bryant, Hammett, Grouby, Laird, Poole, Flowers, Butler, McKee, Turner, Mitchell, Rogers, Smith, Crow, Burke, Richardson, Harvey, Ford, Goodwin, Starkey, Payne, Boles, Trammell, Carter, Clark (D), Lauderdale, Bugg, Hettinger, Adams, Holmes, Pratt, Gray, Newman, Turnham, Brakefield, and Bowling:

H. J. R. 409. CALLING ON THE ADMINISTRATION AND THE CONGRESS TO HAVE LOANS MADE AVAILABLE TO THE VARIOUS U. S. SECTORS UNDER THE SAME TERMS AND CONDITIONS AS COMPARABLE LOANS MADE TO FOREIGN COUNTRIES BY THE WORLD BANK; AND FURTHER CALLING FOR THE UNITED STATES TO WITHDRAW FROM THE WORLD BANK IN THE EVENT THAT SUCH ACTION IS NOT FORTHCOMING.

WHEREAS, although our federal government does not directly lend money to foreign counties for agricultural or other purposes, the United States is the largest shareholder and a guarantor of such loans made by the World Bank and, for comparative purposes, we are addressing the issue of agricultural loans made by said institution; and

WHEREAS, a research of financing reveals that the World Bank consists of two major components:

a. International Bank for Reconstruction and Development (IBRD), which makes loans to governments on conventional terms, charges all borrowers the same fixed interest rate for relatively long periods; in 1981, the interest rate was 9.6% with an average repayment period of from 15-20 years and this same type of lending continues today, with IBRD charging .5%

more than their current borrowing rate, and these loans are available to countries who qualify as "advanced, less-developed countries";

b. International Development Association (IDA), the second component of the World Bank, lends money to those countries considered "least developed" and which do not qualify for IBRD; loans by IDA must be repaid, but there is no interest charged, except for an administrative fee, and repayment periods may be extended for up to 50 years; and

WHEREAS, by comparison, in 1981, long-term (25 years) agricultural loans were available to American farmers through the Federal Land Bank at interest rates in the 11% range and the current rate is up to 12%; this and other favorable loan conditions are in stark contrast to IBRD loans and beyond comparison to no-interest IDA loans, of which \$2.5 billion were guaranteed by the U. S. government in 1985, with \$5.5 billion in guaranteed loans projected for 1986; and

WHEREAS, with the U. S. government's role in the World Bank firmly fixed in mind—that of major shareholder and a guarantor of loans with highly favorable financing—and in knowledge of the unfavorable rates and conditions imposed on our American farmers, we now address the issue of competitive imports by our government; and

WHEREAS, according to Statistical Abstract 1985, the U. S. government imported \$16.6 billion in agricultural products; this, we are reminded, was in the same year the government guaranteed \$2.5 billion in low cost agricultural loans to countries competing with our American farmers in the production of many of the same commodities, but with production costs to our farmers reflecting much more unfavorable loan interest rates and conditions; and

WHEREAS, we again point out that such inequities include but, by no means, are limited to agricultural loans, and we are appalled to consider the ramifications of these selfsame inequities applying to the textile and other major U. S. industries; and

WHEREAS, the Alabama Legislature finds it totally incomprehensible that our government, through its association with the World Bank, is in fact perpetrating grave injustices against major U. S. industries, and such policies can no longer be tolerated; now therefore,

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That in consensus of belief that our nation's leaders are charged with the responsibility and duty of protecting the interests and well-being of these United States and all citizens thereof, we hereby call upon The Administration and The Congress to act, and to cause that loans be made available to the various U. S. sectors under the same terms and conditions as comparable loans made to foreign countries by the World Bank; and we further call for the United States' withdrawal from the World Bank in the event that such action is not forthcoming.

BE IT FURTHER RESOLVED, That copies of this resolution be forwarded to President Ronald Reagan, to the presiding officers of the U. S. Senate and the House of Representatives, and to each member of the Alabama Congressional Delegation in Washington, D. C.

JOHN W. PEMBERTON,
Clerk.

**A BILL
TO BE ENTITLED
AN ACT**

To make appropriations for the ordinary expenses of the executive, legislative and judicial departments of the State, for other functions of government, for interest on the public debt, and for capital outlay for the fiscal year ending September 30, 1987.

BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

SECTION 1: The monies in Section 2 are appropriated from the named funds for the 1986-87 fiscal year to the state agency indicated, as the amounts to be used to pay the expenditures of the named agencies, and are in lieu of all monies appropriated for these purposes in other sections of the Alabama Statutes.

For the purpose of this Act, the amounts herein for expenditures are listed by programmatic area and the total for all programs are shown by the source of funds. It is intended that only the named funds be appropriated to the agency concerned; and that the following definitions shall be applicable:

(a) "Appropriation Total" shall mean the aggregate total of all fund sources.

(b) "Program" shall mean specific governmental services required to achieve a specific objective. A program shall be directed to meeting the need of an identified clientele, or group of recipients or beneficiaries.

(c) "Capital Outlay" shall mean expenditures which result in the acquisition and/or addition to items, such as land or buildings, which have an appreciable and calculable period of usefulness in excess of one year, and shall be expended only for such purposes.

(d) "Debt Service" shall mean an expenditure for the payment of interest and principal on all bonded debt obligations of the State, and shall be expended only for such purposes.

SECTION 2. There is hereby appropriated for the ordinary expenses of the executive, legislative, and judicial departments of the State, for other functions of government, for the principal and interest on the public debt, and for capital outlay for the fiscal year ending September 30, 1987, to be paid out of any monies hereinafter specified, from such other funds and accounts as may be designated, or so much thereof as may be necessary, and the total amount to be expended for the items for which the appropriation is herein made shall not exceed the amount provided therefor, except as provided in the Budget Management Act of 1976, Sections 41-19-1 et seq., Code of Alabama 1975. Provided, however, that regardless of the ending date of any pay period which has been or may be established by the Legislature for the payment of salaries of state employees, the entire payment due shall be made from the fiscal year's appropriation in which the pay date falls.

AN ACT**

To make annual appropriations for the support, maintenance and development of public education in Alabama and for debt service and capital improvements for the fiscal year ending September 30, 1987.

BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

SECTION 1. There is hereby appropriated for the support of public education in Alabama for the fiscal year ending September 30, 1987, and for the public debt, to be paid out of funds specified in subsection (a) of Section 2 of this Act, the amounts specified in Sections 3 to 4 of this Act. For the purpose specified in subsection (b) of Section 2 of this Act, amounts are shown by programmatic area and the total for all programs is shown so as to include estimated sources of funds other than the appropriation made in subsection (a) of Section 2 of this Act. For the purpose of this Act, "ASETF" shall mean the Alabama Special Educational Trust Fund.

SECTION 2. (a) The appropriations provided for in this Act shall be paid from funds in the State Treasury to the credit of the Alabama Special Educational Trust Fund and Alabama Special Educational Trust Fund Surplus, Special Mental Health Trust Fund, Alabama Board of Nursing Trust Fund, Alabama Peace Officers' Standards and Training Fund, and Public School Fund and are hereby made for the support of public education in Alabama for the fiscal year ending September 30, 1987, and except as may be otherwise expressly provided, the appropriations herein made shall be subject to the provisions, terms, conditions and limitations of the Budget and Financial Control Act (Code of Alabama 1975, as amended, Sections 41-4-80 through 41-4-96), the provisions of The Budget Management Act of 1976 (Code of Alabama 1975, as amended, Sections 41-19-1 through 41-19-12), and shall be in the amounts hereinafter specified.
